NOTICE TO CORRECT TESTIMONY

The United States of America hereby notices the Court and Defendants that Federal Bureau of Investigation Special Agent Bryan Acee alerted the United States that he needs to correct his testimony at the motions hearing that the Court held on January 10, 2018. As detailed in Special Agent Acee's attached report, Special Agent Acee recalls that he testified that he believed the wiretap on the telephone provided to Mario Montoya went down on November 25, 2015. In reviewing documents after his testimony, his recollection was refreshed, and he believes that the wiretap went down on December 25.

Respectfully submitted,

JAMES D. TIERNEY
Acting United States Attorney
